When Fire Was Discovered.

John J. Coakley, a deckhand on the General Slocum, made a statement before Coroner Berry today that the flames were first discovered in hay which had been used in packing barrels of glassware. These barrels were placed in a storeroom where oil was placed in a storeroom where oil was stored. He also said that when the hose was unrolled it kinked so badly that it burst when the water was turned on. He testified, in addition to this, that the boat was passing Blackwells island, opposite 26th street, when the fire was discovered. Others have received and that they was no size. variously said that there was no sign of fire until 137th or 138th street was

At Bellevue morgue it is reported that 550 victims of the General Slocum disaster have been recovered. Of these 521 have been identified.

### ACROSS COUNTRY.

The signs of the times point to an enor nous increase of intelligent public interest in health: to a new generation with purer, kronger blood and therefore more active.

our stomor our liver is tor-pid—in either case our blood does not get the proper nourishment. A torpid liver means a stagnation of the blood and an accumulation of poisons which furnishes a weak

spot for bacteria to enter.

To enrich the blood and increase the red blood corpuscles, Dr. Pierce years ago found a vegetable compound, which he called Dr. Pierce's Golden Medical Discovery, that would quickly cure the bad symptoms by increasing the red blood corpuscles and thereby feeding the nerves on rich blood. This "Medical Discovery" also acts upon the digestion and assimilation of food, so that the blood gets its proper elements from the products of digestion. Feed the lungs, stomach and heart on rich red blood and you have surely a healthy body which will throw off the germs of disease which lurk everywhere. Get as near nature's way as you can. A medicine made entirely from botanical extracts and which does not from botanical extracts and which does not contain alcohol is the safest. Dr. Pierce's Golden Medical Discovery contains neither
